Copy of letter No.91/48 dated 6th July 1948 of the Correspondent, St. Aloysius' College High School, Mangalore.

I request you to be so good as to extend the exemption orders for the use of the English medium of instruction in respect of the following classes in this school for the year 1948-49. The reasons put forth before you for your kind consideration in the previous years still hold good. We have fully stated our case in our Memoranda to the Hon'ble Minister for Education and in our letter to you dated 12th August 1946. In their Memorandum No.52127-47-B.1.1 Education dated 8th July 1947 the Government were pleased to pass the following orders in respect o our school:-

"That one English medium section may be allowed during 1947-48 in class V and in each of forms I to IV and that English may continue to be the medium of instruction in all sections of forms V and VI. The Director of Public Instruction was requested to instruct the management that Kannada should be the medium of instruction in class IV and in all sections other than the English section in class V and forms I to IV during 1947-48 and that steps should be taken to abolish the English Section progressively".

Accordingly the English section is abolished in the V class this year. I therefore pray that you may be pleased to sanction the continuance of the English medium in one section of each of forms I to V and in all the sections of Form VI this year.

Thanking you.

ore - Medium of instruction 1946-47 and 1947-4

Ref: G.O. Ms.No.1798 Edn. dated 17-9-46.

The Dt. Educational Officer, South Kanara has brought to my notice that the St. Aloysius College High School, Mangalore maintained English medium in one of the sections of classes 4 and 5 and Forms I to III and in all sections of Forms IV to VI during 1946-47. Permission to have English medium in forms V & VI and in one section in form IV alone was given in 1946-47 Hence the rest has to be ratified by Government.

2. For 1947-48 the Headmaster of the School feels the necessity of maintaining one English section in each of the classes 4 and 5 and forms I to III and English sections in Forms IV to VI as last year, Kannada medium was introduced only in classes I to III and in all the remaining sections of classes 4 and 5 and forms I to III. As the Government have ordered that the management should take steps to abolish the English medium sections progressively the Dt. Educational Officer has recommended that the English section in class 4 should be abolished during 1947-48. One English medium section may continue in class 5 and Forms I to IV. All the other sections to have Kannada medium only and forms V and VI to have the English medium for all the sections.

3. I recommend the Dt. Educational Officers recommendations for the acceptance of Govt. Orders may kindly be issued accordingly.
